

This is the story of my
nursery

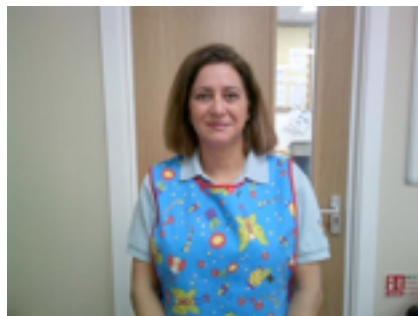

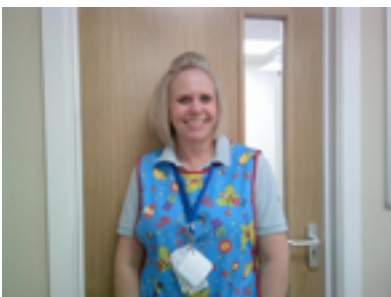

I go to Yarnton Day Nursery

When I arrive I go to the gate

These are the people who look after me

Lorraine

Zahra

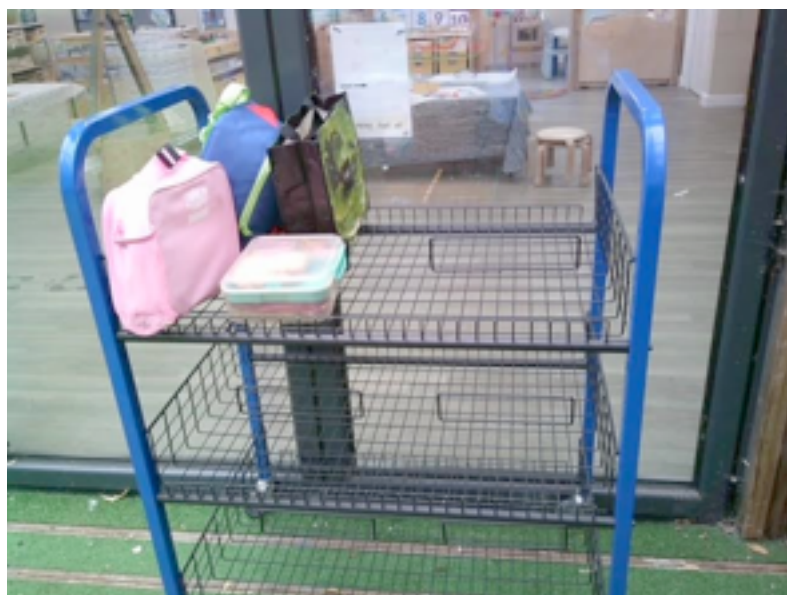

Andrea

They will help me learn and
have fun!

I will hang my coat up here

My lunchbox goes here

This is the room I will play in

This is the quiet room where I will have story and a sleep if I need one

These are the toilets and sinks

This is where I play outside

Some of the things I might do at nursery

At nursery I Will need to use my
good listening ears

And my kind hands

If I feel worried or sad I can do these things to help

Play with my friends

Or go to my nursery helpers
